For : LASER BONDING OF ANGIOPLASTY BALLOON CATHETERS

BOX NON-FEE AMENDMENTS (PATS)  
The Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

**AMENDMENT**

In response to the office action of September 24, 1992,  
please amend this application as follows:

In Claim 16, at line 15 (eighth line of p. 21), please  
delete "annular".

In Claim 16, at line 20 (thirteenth line of p. 21), please  
add the words -- proximal and -- after the word "the";

In Claim 20, at line 29, please add the word -- fusion --  
after the word "distal"; and

In Claim 22, at line 5 (first line of page 22), please  
delete "polyimides" and insert -- polyamides --.

Please add the following Claims:

CM 1 26. A balloon catheter comprising:

B1 f1 an elongate pliable length of catheter tubing formed of  
a polymeric material and having a proximal end and a distal end;  
f1 a polymeric dilatation balloon mounted to the catheter  
tubing near the distal end and in surrounding relation to the  
catheter tubing, said balloon including a medial region, proximal  
and distal neck regions each substantially smaller in diameter  
than the medial region, and proximal and distal tapered regions  
between the medial region and the proximal and distal neck
